

CLOVELY ESTATE WINERY

TASTING NOTES

ALL WINES - \$20

CLASSIC WHITE

Bursting with aromas of citrus blossom and lemon thyme, the palate has a crisp and refreshing red apple crunch which leads to a rockmelon finish, a soft yet generous wine with pristine fruit expression.

VERDELHO

Brilliant crystalline in colour with a watery hue. Fragrant aromas of tropical fruits and a touch of passionfruit intermix with some lime followed by green apple endnotes. Showing excellent fruit intensity, flavours of passionfruit and tropical fruits dominate over subtle citrus and green apple characters. Fresh dry finish with cleansing acidity and a long passionfruit, tropical fruit citrus, and green apple aftertaste.

CABERNET MERLOT

Expressive aromas of ripe red and black fruit followed by hints of spice. Supple body and medium tannin envelop flavours of berry and cherry which linger on the palate through a long, smooth finish. An outstanding wine with depth and power to reward short term cellaring but with a pleasing approachability which make it difficult to resist now.

SHIRAZ

This wine exudes a balance of red and black berry aromas with white pepper spice and subtle dark chocolate. On the palate this wine exhibits ripe fruit flavours of mulberry and spice plum with hints of cigar box from being in French and American oak barrels. Finely structured tannins allow this wine to age gracefully (5-7) years if carefully cellared and is ideal with pepper crusted fillet steak.

MOSCATO

A combination of floral bouquets and ripe fruit greets the senses. Aromas and flavours of gardenias, apricot, honeysuckle, and peach are profuse. With a slight spritz, the wine is lively and finishes with delicately sweetness.

TAWNY PORT - NON VINTAGE

Deep tawny hues, lifted raisin, plum, prune and citrus rind aromas are a feature of this wine. With luscious flavours of raisin plum and citrus with hints of chocolate present on the palate. The sugar and acid are balanced to give a fruit-driven Australian tawny style which finishes soft and clean. Enjoy with hard cheeses, nuts, chocolate, ripe figs and freshly picked plums.
